

Small Steps Nurturing Center

# A YEAR IN REVIEW

Small Steps' 2022-2023 school year was one for the books! This year, we were blessed to serve **176 students** at our campuses in the Fifth Ward and Gulfton/Sharpstown neighborhoods! We are so grateful to everyone that helped make the mission of Small Steps possible over the past year. To the families that entrust their children to our care, the staff who dedicate themselves to our students every day, and the Houston community that continues to support our work year after year— thank you, thank you, thank you!
